

MATERIAL SAFETY DATA SHEET

Date of Issue: 07.12.2007

STATEMENT OF HAZARDOUS NATURE

Not classified as hazardous according to criteria of Worksafe Australia

COMPANY NAME & ADDRESS

Multicrop (Aust.) Pty. Ltd.
PO Box 302
Bayswater
Victoria 3153,

Tel : (03) 8720 2100
Fax : (03) 9720 5051
Poison Information Centre Tel : 13 11 26

PRODUCT IDENTIFICATION

Product Name : MULTICROP ECO WET HOSE –ON
Size : 2L
U.N. Number : Not Applicable
Hazchem Code : Not Applicable
Dangerous Goods Class : Not Applicable
Poisons Schedule : Not Applicable
Active Constituents : A blend of non ionic surfactants.

Use : Multicrop Eco Wet is wetting agent developed to give an effective, even wetting of water repellent soils, mulches and potting mixes (dry organic matter). It is formulated as a blend of surfactants to provide optimal wetting capability over a greater range of soil and potting mix types.

PHYSICAL PROPERTIES & DESCRIPTION

Appearance : Clear, viscous liquid.
Boiling Point (760mmHg) : Not applicable.
Corrosiveness : Not corrosive.
Evaporation : Not applicable.
Flammability : Non-flammable.
Flash Point (°C) : Not applicable.
Odour : None.
Oxidizing/Reducing : None.
pH :

Solubility (% by wt) : 100
Specific Gravity :
Stability : Stable under normal temperatures and light conditions.

HEALTH HAZARD INFORMATION

Health Hazard : Non- toxic. Avoid contact with eyes. Avoid prolonged or repeated skin contact with undiluted product.

HEALTH EFFECTS:

Ingestion : Due to a bitter taste ingestion of large amounts is most unlikely.

Eye : Temporary irritation and reddening of the eye can occur. It is possible for the cornea to be damaged (burnt).

Skin : May cause irritation.

Inhaled : Not applicable.

FIRST AID:

Ingestion : For small amounts rinse mouth and face with plenty of water and drink water or milk. It should not be necessary to induce vomiting.

Eye : Irrigate eye immediately with copious quantities of water for at least 15 minutes, ensuring all product is removed from the eye. Seek medical attention immediately.

Skin : Wash off with soap and water immediately as natural protective skin oils can be removed. The removal of skin oils can cause irritation to people with sensitive skin. Remove contaminated clothing and wash well before re-use. Follow normal, sensible hygiene practices when handling the product.

Inhaled : Not applicable.

Notes to Physician : Treat symptomatically.

PRECAUTIONS FOR USE

Personal : Maintain personal and industrial cleanliness and hygiene at all times. Maintain normal precautions for handling undiluted product. Wear safety glasses to prevent eye contact.

Ventilation : Not applicable as product generates little odour.

Flammability : Non-flammable.

Storage : Shake or stir EcoWet before use.

SAFE HANDLING INFORMATION

- Spillage : Slippery when spilt, clean up immediately by diluting and washing down with water or cover with absorbent, collect and seal in drums for disposal.
- Disposal : Dispose of diluted wastes onto garden bed or around plants as per directions on the label. Dispose of contents in drums by burial in suitable landfill in accordance with applicable regulations or burn in industrial incinerator.
- Storage/Transport : Store in original container at room temperature, in a cool dark and dry place. Avoid conditions of extreme temperatures. Keep out of the reach of children.
- Fire Hazard : None.

OTHER INFORMATION

Do not apply to leaves of plants. This product can "burn" the leaves of some ferns and delicate plants. Wash immediately with plenty of water.

DISCLAIMER

This Material Safety Data Sheet has been developed according to Worksafe Australia / NOHSC Guidelines.

All information is as accurate and up to date as possible. Since Multicrop (Aust.) Pty. Ltd. cannot anticipate or control the conditions under which this information may be used, each user should review the information in the specific context of the intended application. Multicrop (Aust.) Pty. Ltd. will not be responsible for damages of any nature resulting from use of or reliance upon this information.

No expressed or implied warranties are given other than those implied mandatorily by Federal, State or Territory Legislation.
