

MATERIAL SAFETY DATA SHEET

Date of Issue: 07.12.2007

STATEMENT OF HAZARDOUS NATURE

Not classified as hazardous according to criteria of Worksafe Australia

COMPANY NAME & ADDRESS

Multicrop (Aust.) Pty. Ltd.
PO Box 302
Bayswater
Victoria 3153,

Tel : (03) 8720 2100
Fax : (03) 9720 5051
Poison Information Centre Tel : 13 11 26

PRODUCT IDENTIFICATION

Product Name : Maxicrop® Indoor Plant Food.
U.N. Number : Not Applicable.
Hazchem Code : Not Applicable.
Dangerous Goods Class : Not Applicable.
Poisons Schedule : Exempt from scheduling.
Active Constituents : Maxicrop Seaweed Extract; Nitrogen; Phosphorus; Potassium.
Active Constituents Qty : 65g/L 13g/L 8.0g/L 21g/L

Use : Maxicrop® Indoor Plant Food is a general purpose plant food for application to leaves or root/soils of indoor plants. It has been specially formulated to cater for the needs of even the more delicate plants grown indoors. In particular, nitrogen levels have been reduced to prevent plant burning. The seaweed extract contains over 60 trace elements, minerals and naturally occurring growth factors that are important for plant growth and development. The seaweed is fortified with added Nitrogen, Phosphorus and Potassium. Benefits include healthier, stronger plants, deeper, more extensive root systems, improved fruiting quality and yield increased resistance to stress increased resistance to insect and disease attack and better utilisation of existing and applied nutrients. Maxicrop® Indoor Plant Food is non-toxic and non-hazardous.

PHYSICAL PROPERTIES & DESCRIPTION

Appearance	: Dark brown to black liquid.
Boiling Point (760mmHg)	: > 100°C (water only).
Evaporation	: Not Applicable.
Flammability	: Non flammable.
Flash Point (°C)	: Not Applicable.
Odour	: Mild smell of seaweed.
Oxidation/Reduction	: None.
pH	: 8-9 (Undiluted). Non corrosive.
Solubility (% by wt)	: 100.
Specific Gravity	: 1.06.
Stability	: Very stable under normal temperatures and light conditions.

HEALTH HAZARD INFORMATION

Health Hazard : Non toxic.

HEALTH EFFECTS:

Ingestion : Discomfort from swallowing large amounts.

Eye : May cause irritation.

Skin : May cause irritation.

Inhaled : Not applicable

FIRST AID:

Ingestion : Drink large amounts of water or milk. The proteins in the milk will alleviate irritation of mucous membranes.

Eye : Irrigate with copious quantities of water, keeping eye wide open while flushing. No injury should be expected. If irritation continues seek medical attention.

Skin : Wash off with water as soon as is convenient. Follow normal, sensible hygiene practices.

Inhaled : Not applicable.

Notes to Physician : Treat symptomatically.

PRECAUTIONS FOR USE

Personal Protection : Maxicrop® can stain skin, clothing, paths, equipment, etc. if not washed off before it dries. Stains are not permanent and can be removed with water, detergent and some scrubbing. Warm to hot water assists removal. Maintain personal cleanliness and hygiene.

Ventilation : Natural air movement will remove mild seaweed smell.

Flammability : Not flammable.

Storage : Stir/agitate Maxicrop® before use.

SAFE HANDLING INFORMATION

Spillage : Wash and dilute with plenty of water and/or remove with a mop or sponge.

Caution : Spillages can be slippery.

Disposal : Dispose of diluted wastes onto lawns, garden beds or around plants.

Storage/Transport : Store in original container at room temperature, in a cool, dark and dry place. Avoid conditions of extreme temperatures. Prolonged exposure to direct sunlight can damage ingredients.

Fire Hazard : None.

Explosion Hazard : None.

OTHER INFORMATION

This product is biodegradable in that all components can be used by plants and/or soil organisms.

DISCLAIMER
