PRODUCT IDENTIFICATION

Product Name : **Lawn Rejuvenator 2L Hose-On**
U.N. Number : Not Applicable
Hazchem Code : Not Applicable
Dangerous Goods Class : Not Applicable
Poisons Schedule : Not Applicable
Active Constituents : Seaweed; Nitrogen; Phosphorus; Potassium; Buffered Polyignosulfonates
Active Constituents Qty : 10.0 g/L; 140.0 g/L; 18.0 g/L; 46.0 g/L; 1.0g/L

Use : Maxicrop Lawn Rejuvenator builds a stronger, greener lawn with increased resistance to drought and general wear and tear. This product also reduces thatch in lawns.

PHYSICAL PROPERTIES & DESCRIPTION

Appearance : Dark brown to black liquid.
Boiling Point (760mmHg) : > 100°C (water only).
Corrosiveness : Slightly corrosive.
Evaporation : Not applicable
Flammability : Non-flammable.
Flash Point (°C) : Not applicable
Odour : Mild smell of seaweed.
Oxidizing/Reducing : None.
pH :

Solubility (% by wt) : 100
Specific Gravity :
Stability : Very stable under normal temperatures and light conditions.

HEALTH HAZARD INFORMATION

Health Hazard: Maintain good levels of personal hygiene. Avoid contact with eyes, nose and mouth. Avoid prolonged skin contact, product is acidic.

HEALTH EFFECTS:

Swallowed : Can cause irritation and possible burns to mouth, throat and stomach.

Eyes : Mist can cause irritation, soreness and/or reddening of eyes and liquid contact possibly corneal burns.

Skin : Can cause minor irritation, especially cuts and scratches.

Inhalation : Prolonged inhalation may cause irritation to upper respiratory tract, including mouth, nose and throat, and headaches.

FIIRST AID:

Swallowed : Do not induce vomiting. Drink plenty of milk (preferred) or water. See a doctor if irritation persists.

Eyes : Immediately irrigate with copious amounts of water for at least 15 minutes. With continued irritation seek medical attention.

Skin : Remove contaminated clothing and wash skin and clothes immediately with soap and water.

Inhalation : Remove to fresh air, rest and drink milk or beaten egg whites. With continued irritation seek medical attention.

Notes to Physician : Treat symptomatically.

PRECAUTIONS FOR USE

Personal Protection : Maintain good levels of personal hygiene and cleanliness. Wear eye protection at all times. Maxicrop Lawn Rejuvenator can stain skin, clothing, plants, equipment etc. if not washed off before it dries. Stains are not permanent and can be removed with water, detergent and some scrubbing. Warm to hot water assists removal.

Ventilation : Natural ventilation is usually sufficient.

Flammability : Non-flammable.

Storage : Shake container before use. Protect container from physical damage.

SAFE HANDLING INFORMATION

Spillage	: Wash and dilute with plenty of water and/or remove with a mop or sponge.
Caution	: Spillages can be slippery.
Disposal	: Dispose of diluted wastes onto lawns, garden beds or around plants.
Storage/Transport	: Store in original container at room temperature, in a cool dark and dry place. Avoid conditions of extreme temperatures. Prolonged exposure to direct sunlight can damage ingredients.
Fire Hazard	: None.
Explosion Hazard	: None.

OTHER INFORMATION

This product is biodegradable.

DISCLAIMER
